

In-Wall Timer - ABRA A19 Wi-Fi Smart Bulb

Item SH-ABA191P

PRODUCT DESCRIPTION

The ABRA A19 RGBW Wi-Fi Smart Bulb provides a fun and easy way to personalize your home's lighting design. Use the companion ABRA App to create custom lighting scenes for the perfect ambiance in any space. Featuring up to 800-lumen output and a color rendering index of 90 CRI, the ABRA A19 Smart Bulb provides an impressive spectrum of colors and a tunable white range from soft white to daylight. The ABRA A19 Smart Bulb works with other products in Intermatic's smart home portfolio to provide energy efficiency, convenience, and reliability in a simple-to-use solution. These smart bulbs can be controlled automatically by timers, schedules, and automation in the ABRA App, as well as voice control using Amazon Alexa, Google Home, and Siri.

FEATURES

- Features wide spectrum of RGB colors and a tunable white range from 2700K to 6500K.
- Easy to set up and control using the free ABRA app, available for iOS and Android devices.
- 90 CRI (Color Rendering Index) produces high-quality, natural light across a range of tunable white values.
- No hub required
- works directly with your Wi-Fi router.
- Works with Amazon Alexa, Google Home, and Siri voice assistant platforms.
- 15,000 hour life expectancy.
- Control bulbs with the ABRA app, voice, schedules, sensors, and the optional ABRA Surface Switch.
- 8.5 Watts.
- 2.4 GHz Wi-Fi Required.

APPLICATIONS

- Smart Home

TECHNICAL DATA

General

Model Number	SH-ABA191P
Description	ABRA A19 Wi-Fi Smart Bulb
UPC Code	078275157781
Brand	Intermatic
Country of Origin (Intermatic)	CHINA
Warranty Period	1-Year limited

Control Specifications

Operation Features	Countdown; Routines; Schedules
Operation Mode	App-driven
Mechanism Type	Digital/Electrical
Application Compatibilities	Alexa; Android; Google Home; iOS; Siri

Dimensions

Product Diameter (in)	2.375
Product Diameter (mm)	60.325

Material Specifications

Color	White
